Punctuality The school gates open at **8:45am** & close at **8:55am** please arrive on time. It can be very unsettling for children when they miss the first few minutes of the day, often missing instructions for the morning

All Saints' Vision and Values Award

At All Saints, our vision is **Learning for life, building a firm foundation**. We aim to give all children the best possible start in life and encourage the whole school community to be kind and forgiving towards one another. We aim to create a happy and caring atmosphere where children can learn, grow and develop together into independent and confident children ready to flourish and build their firm foundation for life.

We want to recognise the children who are working towards our school vision and are demonstrating our school Christian values. We present two weekly awards to two children in each class every week.

The Vision Award recognises children who have worked hard and are building their firm foundations in their learning or personal development.

Children will need a packed lunch, if your child is in receipt of free school meals, they will be provided with a lunch, please send a drink (no cans., glass bottles or fizzy drinks). All other children must bring a packed lunch from home. We are asking families to contribute £15.00 towards the cost of this trip, this can be paid via the MyEd App or in the school office. Please return the permission slip to the office.

Spring Term Film Night

Each term we hold our fundraising event "Film Night". For the Spring Term, we will be holding film night on Tuesday 12th March 2024. All children from Nursery through to Year 6 are invited to stay. Finish time for all year groups will be 4.45pm. All children are to be collected from their classrooms.

As film night is on a Tuesday, there will be no Multiskills after school for years 1 and 2. We are currently waiting for films to be confirmed. The cost of this event will be £3.50 per child, this will be available to pay via the MyEd app once the films have been confirmed in the next week or two.

Pyjama Day

The members of our School Council, led by Mrs Leigh and Mrs Costello love organising fundraising events. For this half term, they have arranged a 'wear your pyjamas to school day'. All children are invited to wear their PJs to school on Friday 9th February. Please ensure your child's pyjamas are suitable for school wear, no tiny shorts or strappy vest tops. If children wish to bring in their slippers please ensure they come to school wearing their sensible school shoes.

We are asking for donations of £1, this is payable via the MyEd app.

Is my child too ill for school? NHS Guidance

It can be tricky deciding whether or not to keep your child off school or nursery when they're unwell.

There are government guidelines for schools and nurseries about managing specific infectious diseases at GOV.UK. These say when children should be kept off school and when they shouldn't.

If you do keep your child at home, it's important to phone the school on the first day. Let them know that your child won't be in and give them the reason.

If your child is well enough to go to school but has an infection that could be passed on, such as a cold sore or head lice, let their teacher know.

For further information, visit - <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

Coughs and colds

It's fine to send your child to school with a minor cough or common cold. But if they have a fever, keep them off school until the fever goes.

Encourage your child to throw away any used tissues and to wash their hands regularly.

High temperature

If your child has a high temperature, keep them off school until it goes away.

Chickenpox

If your child has chickenpox, keep them off school until all the spots have crusted over.

This is usually about 5 days after the spots first appeared.

Cold sores

There's no need to keep your child off school if they have a cold sore.

Encourage them not to touch the blister or kiss anyone while they have the cold sore, or to share things like cups and towels.

Conjunctivitis

You don't need to keep your child away from school if they have conjunctivitis.

Do get advice from your pharmacist. Encourage your child not to rub their eyes and to wash their hands regularly.

Head lice and nits

There's no need to keep your child off school if they have head lice.

You can treat head lice and nits without seeing a GP.

Sore throat

You can still send your child to school if they have a sore throat. But if they also have a high temperature, they should stay at home until it goes away.

A sore throat and a high temperature can be symptoms of tonsillitis.

Vomiting and diarrhoea

Children with diarrhoea or vomiting should stay away from school until they have not been sick or had diarrhoea for at least 2 days (48 hours).
