Summer Term 2022 - Week Beginning 4th July 2022

"Train up a child in the way he should go; even when he is old he will not depart from it."

Proverbs 22:6 Chosen by Reception

This weeks newsletter includes a very important section from pupils in Year 6.

Parents and carers of children in all year groups, please take the time to scroll down and have a read.

EYFS Sports Morning

Nursery and Reception children have their Sports Morning at 9.30am on Thursday 7th September.

Please ensure Nursery children come to school wearing Sports Wear, children in Reception class, please ensure they have their PE Kit in school. Parents and carers are welcome to attend, make sure you buy your raffle tickets - £1 per strip. Raffle to be drawn at the end of term.

School Dinners

This week we have been advised cost of school dinners will increase from September 2022 by 5 pence to £2.30 per day (£11.50 per week)

All children in Reception, Year 1 and Year 2 will be provided with a 'Universal Free School Meal'. Children moving up to Year 3 will have to pay for their meals, unless they are in receipt of Free School Meals.

Parents and carers of children in all year groups, from Nursery through to Year 6 are invited to check if you are eligible for Free Call Meals, please call 01926 359189.

We have received new menu's for September, these will be available on the school website and paper copies from the office, soon.

Parent/Carer & Teacher Consultation Calls

Final Parent/Teacher telephone consultations begin this week. Please ensure you have returned the slip to your child's class teacher. Class teachers will notify you of your time.

Year 3	Tuesday 5 th July	Year 4	Wednesday 13 th July
Reception	Friday 8 th July	Year 5	Thursday 14 th July
Nursery	Monday 11 th July	Year 6	Friday 15 th July
Year 2	Tuesday 12 th July	Year 1	Monday 18 th July

Summer Film Night Fundraising

Our Summer Film Night will be on Monday 18th July 2022. Film night is for all year groups from Nursery to Year 6 and will start straight after school. Children will have drinks and snacks provided for them. The cost of film night is £3 per child and is available to be paid online via the app, or with a card or cash in the office. If you would like your child to attend Film Night, please ensure payment has been made and the permission slip returned to the office by Friday 8th July 2022.

Nursery and Reception will be a **Pirate Theme**, sharing songs, stories and sea shanties. Nursery children can dress up as a Pirate if they would like to - **4pm finish**.

Years 1 & 2 will be watching **Flushed Away** - **4.45pm finish**

Year 3 & 4 will be watching **Monsters University** - **4.45pm finish**

Years 5 & 6 will be watching **Percy Jackson (PG)** - **4.45pm finish**

Lost Property

Mrs Lusty will have a table under the shelter outside school this week with unnamed school uniform. She has counted 28 jumpers and cardigans, worth over £300 which have no names in and have become detached from their owners. There are also some coats and jackets. Please pop along with your child to see if you can reconnect them with their belongings. All unclaimed uniform will be given away.

Be prepared for next years uniform by ordering stick on labels, £6.99 for 30

Tuesday 11 th October	Individual Photographs
Tuesday 1 st November	Flu Immunisation Day - Reception to Year 6
Thursday 1 st December	Year 6 Health Needs Assessment
Tuesday 10 th January	Reception and Year 6 Heights and Weights

Year 6 geography topic- the local area

As part of their geography topic, Year 6 looked at Nuneaton Borough's building plans for the next ten year. They used maps to look at the sites nearest to their community and discovered that there was large building plan for the Gipsy Lane site and a smaller building plan at the Knebley Crescent site. They visited the areas to see how they are currently used as open spaces for leisure and to create meadow and woodland habitats. They used maps to decide how these new homes and community facilities could be planned for and discussed what these developments might mean for their future.

Link to Nuneaton and Bedworth Borough Plan: [Nuneaton and Bedworth Borough Council](#)

Dear parents and carers,

Nuneaton Borough Council are planning to build 14,060 homes in Nuneaton. They are to finish building the homes by 2031 on 18 main sites across Nuneaton. 575 new homes will be built on the Gipsy Lane site which is green belt land (which means it has never been built on before). In 9 years, Gipsy Lane will be brown belt land which means that it has been built on. And 22-25 homes will be built on land behind Knebley Crescent.

Gipsy Lane is currently a nature reserve; it is covered in plants, trees, bushes, and meadow. The Gipsy Lane site is also used for walking pets, playing in parks, and riding bicycles.

In 9 years, there will be 575 homes, a park, woodlands, a primary school, and some shops.

We think it is a bad idea because it will destroy habitats for animals and deforestation.

On the other hand, it is a good idea as it will provide more homes for people in Nuneaton.

Yours faithfully,

Casper, Jacob, McCorly, Luke and Filip.

Dear parents and carers,

Nuneaton Borough Council aim to build 14,060 new homes around our town (Nuneaton) by 2031. These plans were approved in 2011. They are building on 18 main sites and several other smaller sites. It will have a great effect on our already very large town.

The Gipsy Lane site, which is known a green belt land, will have 575 new houses built on the site.

There will also be an additional 35 houses built on land behind the homes on Knebley Crescent.

Building these houses on these sites mean that as our population grows there will be homes for us when we become adults in the future (the next nine years or so).

The negative impact of this building plan is that we will lose the fields around the area and once the houses are built there will be less space for children to play. Natural places of beauty will be lost forever.

However, the idea also has positive effects because our population is growing and so will the local businesses in the area.

Yours faithfully,

Ava, Lily-Rose, Ryan and Noah

Dear parents and carers,

Nuneaton Borough Council are aiming to build 14,060 new homes in and around Nuneaton by 2031 on 18 main sites and dozens of smaller sites.

575 homes will be built on the Gipsy Lane site which was previously green belt land. Gipsy Lane currently has fields, woodland, meadows and play areas on it. But in the future, there will be 575 new homes, shops, possible GP services and schools.

There is a smaller site at Knebley Crescent where up to 25 new homes will be built. The building should start in the next few years.

Even though building more homes will help the community by providing housing, it will affect the environment. The trees will have to be cut down which will damage the wildlife habitats.

Overall, we think the development is a good idea because Nuneaton's population is growing, and the new homes will be needed.

Yours faithfully,

Ryan, Shay, Lexiee and Nicolas

Dear parents and carers,

In 9 years' time (2031), 14,060 new homes will be built for more people to live in ,in Nuneaton. This was planned by Nuneaton Borough Council. 575 houses will be built on the Gipsy Lane site which is currently green belt land (which means it has never been built on before). 22-25 houses will be built on a smaller site off Knebley Crescent.

As you know, Gipsy Lane is green belt land: it is a woodland, with fields and large meadows. Gipsy Lane is especially used by dog walkers, bike riders and those who like open spaces to play.

Like most neighbourhoods, the new planned build might have its own dentist, hairdressers, shops and other stores. There would hopefully be a new school for the children who live there. We would hope that plans include new parks for children so that they could meet other children and make friends and play. We are crossing our fingers for GP services.

As a group we thought it was disappointing that animal habitats would be destroyed and the impact of deforestation on the area. Although we hope that the plans might include a tennis or basketball court for older children.

We know that the population in Nuneaton is increasing and that we need more homes in our town. Although we are sad that we are losing natural spaces we are pleased that Nuneaton Borough is planning for its future citizens. We are hoping that new people will enjoy discovering our town.

Yours faithfully,

Nadia, Tommy, Sarina, Blake and Grantas

Dear parents and carers,

The Nuneaton Borough Council are aiming to build 14,060 brand new homes in and around Nuneaton by 2031 on 18 main sites and many smaller sites. In 9 years, the council are planning to add 22-25 new houses on Knebley Crescent.

They are making arrangements to build 575 houses on Gipsy Lane in the next 9 years. Gipsy Lane has never been built on and is green belt land. They will be adding an additional play area, playing field, a primary school, convenience stores, areas to encourage wildlife and many other things.

We think it is a good idea because it encourages young and old adults to move to Nuneaton for work and to help increase the population. On the other hand, we think it is a bad idea because they are cutting down trees and destroying wildlife habitats.

Yours faithfully,

Jessica, Samuel, Kai and Ethan

Dear parents and carers,

We want to inform you that 14,060 homes will be created in and around Nuneaton. They are intended to be built by 2031, which means that there are 9 years left to complete the work. 575 new homes will be built on the Gipsy Lane site which was previously green belt land (it has never been built on before). At the moment, the site has woodlands, fields and meadows as well as a play area and places for people to walk their dogs and ride bikes.

The planned building work of 575 houses and shops, school and other businesses will completely change how the site looks. Although the buildings will mean that there are more homes for the growing population the negative point is that there will be more traffic and less open spaces.

Our group think that overall, it is a good idea to build new homes as the population of Nuneaton is growing fast.

Yours faithfully

Mya, India and Lincoln

Dear parents and carers,

Nuneaton Borough Council are aiming to build 14,060 new homes in and around Nuneaton by 2031 on 18 main sites and dozens of smaller sites.

575 homes will be built on the Gipsy Lane site which was previously green belt land. Gipsy Lane currently has fields, woodland, meadows and play areas on it. But in the future, there will be 575 new homes, shops, possible GP services and schools.

There is a smaller site at Knebley Crescent where up to 25 new homes will be built. The building should start in the next few years.

Even though building more homes will help the community by providing housing, it will affect the environment. The trees will have to be cut down which will damage the wildlife habitats.

Overall, we think the development is a good idea because Nuneaton's population is growing, and the new homes will be needed.

Yours faithfully,

Ryan, Shay, Lexiee and Nicolas
