All Saints' Vision and Values Award

At All Saints, our vision is **Learning for life, building a firm foundation**. We aim to give all children the best possible start in life and encourage the whole school community to be kind and forgiving towards one another. We aim to create a happy and caring atmosphere where children can learn, grow and develop together into independent and confident children ready to flourish and build their firm foundation for life.

We want to recognise the children who are working towards our school vision and are demonstrating our school Christian values. We present two weekly awards to two children in each class every week.

The Vision Award recognises children who have worked hard and are building their firm foundations in their learning or personal development.

Attendance and Punctuality for week beginning 7th April 2025

The better weather, brought with it better health as we saw our attendance figures improve in most year groups.

Please remember – if your child is unwell and unable to attend school, you must inform us at the very earliest opportunity, either by calling the office or sending a text message via our MyEd app, ideally before 9am.

Punctuality The school gates open at 8:45am & close at 8:55am please arrive on time. If the gate is locked and your child arrives through the main office doors, they are arriving late, and will receive a late mark, please avoid this and take a moment to explain to the office staff the reason.

First thing in the morning is the most crucial time of the day when children settle in and find out what they will be doing that day. Arriving late for school can have a massive impact on your child's education and wellbeing.

- 67 minutes of learning time was lost due to children arriving late for school.
- Well done to Reception, years 1, 3, 4 and 5 who had all of their children in class on time. This is a massive improvement, please ensure you support your children in arriving to school on time and prepared for the day ahead.

Remember to keep your child at home if they have a temperature of 38 or above. For sickness and diarrhoea, children must remain absent from school or nursery for 48 hours after the last episode.

Reception	92%	Year 2	95.7%	Year 4	93.3%	Year 6	93.1%
Year 1	99.2%	Year 3	97.5%	Year 5	96.7%		

Well done to **Year 1 & Year 5** They will receive 10 minutes extra playtime.

Whole School Attendance: 95.4% The school & national target is 96%.
