

# Welcome to Year 1 Parent Induction Session

Thursday 22<sup>nd</sup> June 2023

# Year 1 Teachers for 2023-2024

Mrs Cheema  
Year 1 Class Teacher

Mrs Costello  
Teaching Assistant

# Drop off and Pick ups

School gates open at 8.45am.

Year 1 children are expected to say goodbye to their adults by the side gate.

They then walk round using the path around the exterior of the school.

Mornings 8.55-12.00am

Afternoons 12.45-3.10pm

Children are collected from their classroom.

# Documents on our website to help you support your child in Year 1

- Year 1 timetable
- Website links to support learning in Year 1.
- Year 1 curriculum plans
- Important dates/information regarding homework, PE days and spellings.

## Year 1

'Learning for life, building a firm foundation.'

[Year 1 timetable](#)   [Long term plan](#)

[Year 1 English](#)   [Year 1 Mathematics](#)

[Autumn 1](#)   [Autumn 2](#)

[Spring 1](#)   [Spring 2](#)

[Summer 1](#)   [Summer 2](#)

Phonics and mathematics homework is set on Friday and is due in the following Thursday. Spelling tests are on Friday. Reading books and diaries must be signed and returned daily. **It really helps the children if their adults at home can help with this!**

**Mrs Cheema**  
My favourite childhood book is Charlotte's web because it was funny and deeply moving about friendship and self-sacrifice. I loved that fact that is celebrated the fact that we are all special.

**Mrs Durbin**  
My favourite book as a child was 'The Princess and the Pea' because I wanted to be like the princess in her comfy bed so I could be in my own warm space.

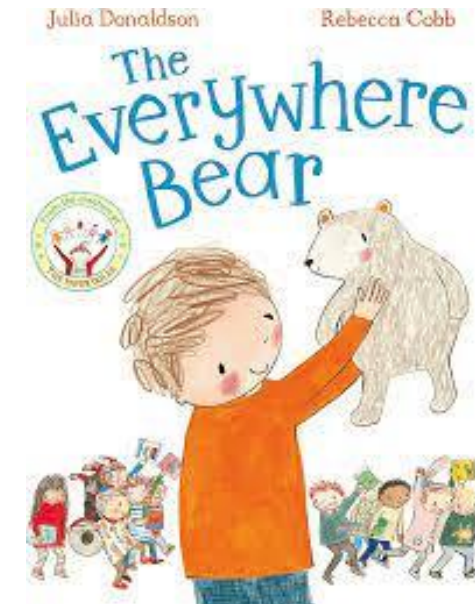

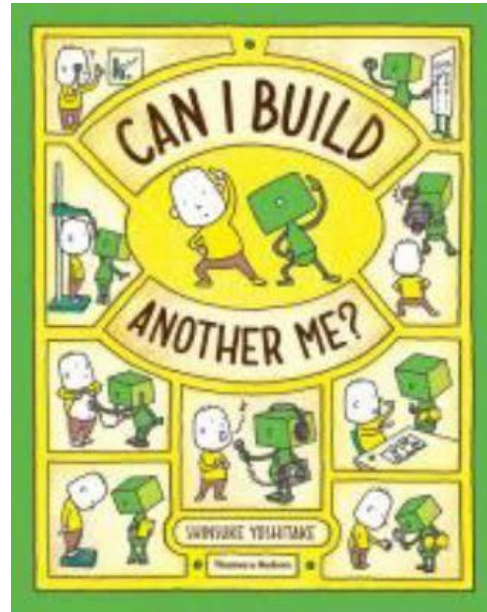

# Topics in Year 1 – text based learning Autumn term

- All about me topic – geography links with local area.
- Transport topic – history links to how transport has changed.

# Maths

Maths follows the white rose, children will learn to:  
**mastery of number to 20** including:

- addition,
- subtraction,
- sharing/dividing and multiplying using arrays,
- doubling and halving,
- money and coin recognition,
- properties of 2D and 3D shapes,
- telling the time to o'clock and half past.

# Science in Year 1

## Science topics:

- Animals including humans
- Body senses
- Plants and trees
- Seasons and materials

Children create a seasons booklet through the year and closely observe the changes in each season

# Daily structure - mornings

- Registration
- Phonics – same structure as Reception
- Whole class input – English/Mathematics
- Continuous provision approach.
- Snack and KS1 playtime
- Maths meetings
- Daily readers

## Daily structure - afternoon

- Lunch – everyone eats in the hall and then play on main playground.
- Whole class input – non-core subject
- Continuous provision approach.
- Practical learning and small group activities to support basic skills.

# Homework

- Homework will be set on Fridays and due in on Wednesday - children will take red books home and bring back to school.
- Focus on key skills alternating focus with English and Maths.
- Rhino readers – reading books will be changed weekly. Please read with your child at home.
- Weekly spelling tests – spellings will be part of homework.
