Afterschool Provision

I am writing to update you on our progress towards offering afterschool childcare provision at All Saints. When we wrote to you at the end of the last academic year, we outlined our intention to be able to open this provision after the half term break at the end of October.

Unfortunately, we are not in a position to meet this intended start date. This is because after advertising for staff to work within our new afterschool provision, we have not received enough applications to proceed. We are currently advertising again and hope to be able to recruit enough staff to move forwards. However, this will not now be in time for us to open the provision immediately after half term.

I will write to you again once we have made more progress with this venture to keep you informed and updated.

Please accept my sincere apologies for any inconvenience caused.

Yours sincerely
