Spring Term 2024 – Week Beginning 18th March 2024

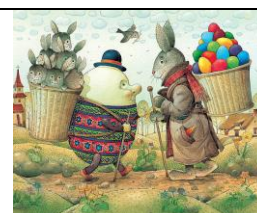

"For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life."

John 3:16 Chosen by Mrs Harrison

Easter Celebrations

Easter Creations:

All children in all year groups are invited to make something for Easter. It could be an Easter Garden; decorate a bonnet or hat, decorate a hardboiled egg or create a piece of artwork. All creations MUST be a child's own work. Children are welcome to make one piece which must be named, they will receive a small Easter chocolate / sweet for participating. Please ensure all creations are brought in to school no later than tomorrow morning, **Tuesday 19th March**. The creations will be judged by visitors to the school, there will be one winner from each class who will win a larger Easter treat.

Children in Nursery, Reception, year 1 and year 2 will be participating in our School Council annual **Easter Egg Hunt** on **Wednesday**. If you have not yet paid, the cost to enter is **£2.50** each child, payment can be made in the office or via the MyEd App.

Families are invited to join us for our Easter Parade on Thursday 21st March at 9.00am. We will also have our Easter Story Scenes on display in the hall.

On **Friday 22nd March** we will be having an iSingPOP day. This will consist of Lent singing workshops, and a singing celebration assembly for all year groups.

Please notify the school office if you do not wish for your child to be included in any photographs or videos of this event.

Easter Holiday Activities and Food (HAF) Programme

The HAF programme provides activities during the Christmas, Easter and Summer holidays. A HAF code will give access to a maximum of 4 session during the Easter holidays for children who receive benefits-related free school meals from Reception through to Year 11. This programme is entirely separate from the Local Welfare Scheme's household support funding (HUGGG vouchers).

How to access a HAF code: visit www.warwickshire.gov.uk/haf. If you have had a HAF code before starting with a 'W' you can use the same code. For any queries regarding the HAF programme, or if you need a code resending, please email hafprogramme@warwickshire.gov.uk or contact them through the Family Information Service helpline on 0800 408 1558

Pets

Many of our All Saints' families and staff have pets that we love who are part of our families. These come in all varieties from fluffy cats and dogs to exotic snakes and lizards.

However, we have noticed that some of our children and families are quite nervous around dogs when they are brought to the school gates to meet children. This area is quite narrow and it can be difficult for children and families to walk past without being closer than they are comfortable to be to the dogs. We are not concerned that your pets are dangerous, but in order to make sure that everybody feels comfortable, if you bring your dog for a walk to school in the morning, or at home time, please wait at the end of the school drive in Knebley Crescent, rather than at the school gate. This will allow everyone to enter or leave school comfortably.

Many thanks for your understanding.

All Saints' Vision and Values Award

At All Saints, our vision is **Learning for life, building a firm foundation**. We aim to give all children the best possible start in life and encourage the whole school community to be kind and forgiving towards one another. We aim to create a happy and caring atmosphere where children can learn, grow and develop together into independent and confident children ready to flourish and build their firm foundation for life.

We want to recognise the children who are working towards our school vision and are demonstrating our school Christian values. We present two weekly awards to two children in each class every week.

1. Press release from UKHSA is on the letters sent home / parents information page of the school website.
2. Please click on the link which takes you to the main NHS page which talks about the signs, symptoms and what to do if someone is symptomatic <https://www.nhs.uk/conditions/measles/>
