

BE HAPPY

Nominate us!

...to win free mental health resources.

Our school is taking part in Be Happy Resource's Nominate a School campaign, which is giving away 50 free annual subscriptions to their online wellbeing resource centre, The Be Happy Hub, to primary schools in the UK.

We would love to use their resources in our classrooms to help children learn more about their wellbeing and how to look after their mental health, here's how you can vote for us:

Simply head over to www.behappyresources.co.uk/nominate and fill in the nomination form, being sure to detail our school's name and address. Press submit and that's it!

The 50 primary schools with the most nominations will win two log ins to their unique wellbeing platform, helping to facilitate emotional and mental health learning for children age 3-11.
