Key Stage 2 Sports Morning

Dear Parents and Carers

We are looking forward to seeing you at our Sports Morning for Year 4, Year 5 and Year 6 at The Pingles Leisure Centre on Tuesday 20th May. The event will start at 10am.

This is always a very enjoyable event that the children and staff look forward to every year. As I know you will understand and support, keeping our children safe is our most important priority. Please therefore read and these important safeguarding arrangements and follow them during the event.

Important Safeguarding Arrangements

Photographs/video – Please do not take photographs or film any children or staff during this event. Consent has not been given for all of our children to be photographed or recorded. School staff will take lots of pictures and these will be shared, where appropriate, on our school website.

Spectators' Areas – You can watch the event from the area around the outside edge of the running track, or from the spectator stand. Please feel free to move around the outside edge of the running track as your own children move around the track to take part in their different events. Please do not enter the inner grassed area of the running track and please do not call your children over to you. This event is taking place during the school day which means that school staff are responsible for all aspects of their care during the event. Children therefore need to remain with their school adults to enable this to be possible. Staff will make sure that children have the opportunity to drink when needed. Children using the toilets will be supervised by school adults.

Weather – In the event of warm weather, please ensure that your child has applied sun cream before they come to school and brings their usual water bottle to school.

I would like to take this opportunity to thank you in advance for working alongside the school to ensure that everybody enjoys a fun and memorable event. We are all looking forward to seeing you.

Yours sincerely
