Year 3 Class Assembly

Parents and carers of year 2 children, please join us in the hall, at 2:40pm, this Thursday 26th March, for their class assembly. They have been working really hard towards their performance and would love to see their families in the audience, so please do not be late. Please be aware there will be no photographs or filming of the assembly allowed. Please arrive at 2:40pm.

Attendance and Punctuality for week beginning 16th March 2026

If your child is unwell and not able to attend school, you must inform us, either by calling the office and leaving a message via the absence line or sending a message via MyEd app, before 9am. Please keep your child at home if they have a temperature of 38 or above. For sickness and diarrhoea, children must remain absent from school or nursery for 48 hours after the last episode.

Punctuality The school gates open at 8:45am & close at 8:55am please arrive on time. First thing in the morning is the most crucial time of the day when children settle in and find out what they will be doing that day. All children in all year groups are learning to support their reading first thing every morning, whether that be phonics or practising spellings. Arriving late for school can have a massive impact on your child's education, particularly their literacy skills, and their wellbeing.

We aim to create a happy and caring atmosphere where children can learn, grow and develop together into independent and confident children ready to flourish and build their firm foundations for life.

We want to recognise the children who are working towards our school vision and are demonstrating our school Christian values.
