

# All Saints CE Primary School and Nursery

## Spring Term 2026

### Week Beginning 19<sup>th</sup> January 2026

*"Do not let any unwholesome talk come out of your mouths, but only what is helpful for building others up..."*

Ephesians 4:29

#### School Phone Lines

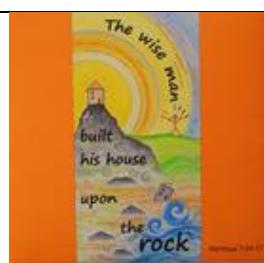

The school phone number is not working, this is due to water getting into the copper cable networking and causing an outage for over 1200 people in the area. We have been advised that this may not be resolved until Thursday 22<sup>nd</sup> January. We will keep you updated.

In the meantime, please use MyEd app where possible. If you do need to call school urgently, please call either 07458073568 or 07458074326.

#### URGENT – Communications

Our communications system shows many of our parents and carers do not have our app.

It is vital that you download it today so that you do not miss any messages regarding school and / or your child. If you do not have a device that is compatible with the MyEd App, or are having difficulties, please contact the school office. For certain messages, we will continue to telephone you, as you are welcome to telephone the school office between the hours of 8am and 4pm

#### All Saints' Vision

We live, learn and grow by following the wise builder's example. This inspires us to listen to guidance and learn from mistakes. At All Saints, we prioritise building self-esteem so that everyone can flourish. Upon firm foundations, we live learn and grow together, no matter where our journeys start.

**Well done to all of those children who have received PomPoms, there has been some lovely behaviour this week at Lunchtimes. All Saints has been 'Pom'tastic!**

## Attendance and Punctuality for week beginning 12<sup>th</sup> January 2026

If your child is unwell and not able to attend school, you must inform us, either by calling the office or sending a message via MyEd app, before 9am. Please keep your child at home if they have a temperature of 38 or above. For sickness and diarrhoea, children must remain absent from school or nursery for 48 hours after the last episode.

**Punctuality** *The school gates open at 8:45am & close at 8:55am please arrive on time.*

First thing in the morning is the most crucial time of the day when children settle in and find out what they will be doing that day. All children in all year groups are learning to support their reading first thing every morning, whether that be phonics or practising spellings. Arriving late for school can have a massive impact on your child's education, particularly their literacy skills, and their wellbeing.

- **74 minutes** of learning time was lost due late arrivals. This is a huge improvement. Well done to years 2, 3 & 4 who had all of their children in school on time.

Reception	88.1%	Year 2	94.2%	Year 4	93.6%	Year 6	97.2%
Year 1	88.6%	Year 3	91.8%	Year 5	92.4%		

**Well done to Year 6** They will receive 10 minutes extra playtime.

Whole School Attendance: 92.3% The school & national target is 96%.

## All Saints' Facebook page

As a school, we now have a Facebook page. This is primarily for school to be able to share information with our followers. Thank you to all of our families who have returned the Social Media permissions slip, allowing us to use your child's name and or images on Facebook. Please follow our page, we are: All Saints CE Primary School and Nursery, Nuneaton.

## Considerate Parking

Last week we received a complaint from one of our neighbours in Knebley Crescent, regarding their driveway being blocked at the end of the school day, meaning they were unable to accept a delivery of medical equipment. Understandably they were very upset. Please be reminded that parking over a dropped kerb in Warwickshire is generally illegal as the area is part of the public footway. Obstructing it is an offence. We will advise any neighbours to report inconsiderate parking to the appropriate authorities. Thank you for your support.
