

All Saints CE Primary School and Nursery

Medium Term Planning

Class teacher: Mrs Korzeniewski

Year group: 4

Term: Spring 2

Subject: D&T - Cooking and Nutrition

Lesson	Learning Goal (L.G.)	Brief outline of lesson content To design and make a weather mobile.	Key Vocabulary covered
1	L.G: to evaluate other products	Explore existing products and identify the features eg taste, texture, appearance. As geographers - locate origins of bread on world map	design make evaluate product purpose research develop investigate
2	L.G: to design my own product	To know what a design is and its purpose and to come up with own ideas. They will use pictures and words to describe what they want to do (including taste, texture and appearance). Direct children to use fruit eg raisins, onion, chives etc as opposed to sugar! Previously successful ones were banana, cheese.	generate communicate annotate equipment - scales, cooker, sieve, bowl, mixing.
Whole Day	L.G: making a product with cooking	Children will measure ingredients with care and increasing accuracy. Bake bread in small groups. Holding activity: create advert/packaging for product.	
	L.G: evaluate my own product Great unit of work - children loved it!	Evaluate own work by talking about taste, texture, appearance. They should be able to explain why they chose certain ingredients and tools. In D&T monitoring, children expressed that they would have liked to make their own packaging after having designed it (linked to persuasive writing in English).
