URGENT - **Communications**

From 12th January all digital messages between home and school will only be available through our MyEd App or via email to and from the MyEd App. This means that traditional 'text' messages will not be received or sent from this date.

Please ensure that you download the MyEd App using the information here.

In addition, please ensure that we have your correct telephone number and email address so that we can continue to communicate with you after Christmas. We do not want you to miss any vital communications from us. If you do not have a device that is compatible with the MyEd App, please contact the school office. For certain messages, we will continue to telephone you, and, as always, you are welcome to telephone the school office between the hours of 8am and 4pm.

All Saints' Vision and Values Award

At All Saints, our vision is **Learning for life, building a firm foundation**. We aim to give all children the best possible start in life and encourage the whole school community to be kind and forgiving towards one another. We aim to create a happy and caring atmosphere where children can learn, grow and develop together into independent and confident children ready to flourish and build their firm foundations for life.

We want to recognise the children who are working towards our school vision and are demonstrating our school Christian values. Our Vision & Values Award recognises children who have worked hard, are building their firm foundations in their learning or personal development and who are demonstrating our school values of **Love, Truth, Faith, Hope or Peace**.

Attendance and Punctuality for week beginning 8th December 2025

Please remember – if your child is unwell and unable to attend school, you must inform us, either by calling the office or sending a text message via our MyEd app, before 9am. Please keep your child at home if they have a temperature of 38 or above. For sickness and diarrhoea, children must remain absent from school or nursery for 48 hours after the last episode.

Punctuality The school gates open at **8:45am** & close at **8:55am** please arrive on time.

First thing in the morning is the most crucial time of the day when children settle in and find out what they will be doing that day. All children in all year groups are learning to support their reading first thing every morning, whether that be phonics or practising spellings. Arriving late for school can have a massive impact on your child's education, particularly their literacy skills, and their wellbeing.

- **146 minutes** of learning time was lost due to children arriving late for school. This is an improvement on last week.

|-----------|-------|--------|-------|--------|-------|--------|-------|
| Reception | 89.2% | Year 2 | 86.1% | Year 4 | 91.8% | Year 6 | 92.8% |
| Year 1 | 88.9% | Year 3 | 96.8% | Year 5 | 89.0% | | |

Well done to **Year 3** They will receive 10 minutes extra playtime.

Whole School Attendance: 90.7% The school & national target is 96%.

Year 5 Class Assembly

Wasn't it great? Thank you to all of the families who came to support their children, you should be proud of them.

One of our year 1 pupils said "that assembly was brilliant!", we're sure you all agree.

Nursery & Reception Nativity

Thank you to all our families who came to the Nursery & Reception Nativity performances and to our Christmas Carol Services at All Saints Church and in the school hall. The children had all practiced so hard, they were exceptional. Thank you to all who donated, we have been able to give £ to All Saints Church towards the work they do within the community.
