Changes to After School Club, *After the Bell*, operating hours and cost from 19th February 2024

Dear Parents & Carers,

We have been operating our after-school provision '*After the Bell*' for one year. I would like to take this opportunity to thank you for supporting this facility regularly.

As I know you will be aware, increases in the cost of living affect all services and organisations. These, coupled with a lower than anticipated take-up of our provision during the later part of each session, mean that it is now necessary to make some unavoidable changes to our operating hours and our prices.

Following the February half-term break, from Monday 19th February 2024, ***After the Bell* will close at 5pm every day**. Additional fees (£5 per quarter of an hour) will apply for late collection after 5pm to cover the additional staffing costs that will arise.

In addition, the charge for each session will increase as follows:

3:15pm until 4:30pm	3:15pm until 5pm
£7.00	£10.00

Breakfast Club will be unaffected by these changes.

I realise that this news will be as disappointing for you as it is for the school. However, these changes are necessary in order for us to continue to provide after-school childcare at All Saints.

I hope that you will feel able to continue to use *After the Bell*, and assure you that if there is enough demand to support longer operating hours in the future, I will be delighted to review our provision again.

Yours sincerely
