All Saints' Vision and Values Award

At All Saints, our vision is **Learning for life, building a firm foundation**. We aim to give all children the best possible start in life and encourage the whole school community to be kind and forgiving towards one another. We aim to create a happy and caring atmosphere where children can learn, grow and develop together into independent and confident children ready to flourish and build their firm foundations for life.

We want to recognise the children who are working towards our school vision and are demonstrating our school Christian values. Our Vision & Values Award recognises children who have worked hard, are building their firm foundations in their learning or personal development and who are demonstrating our school values of **Love, Truth, Faith, Hope** or **Peace**.

Attendance and Punctuality for week beginning 24th November 2025

Please remember – if your child is unwell and unable to attend school, you must inform us, either by calling the office or sending a text message via our MyEd app, before 9am. Please keep your child at home if they have a temperature of 38 or above. For sickness and diarrhoea, children must remain absent from school or nursery for 48 hours after the last episode.

Punctuality The school gates open at **8:45am** & close at **8:55am** please arrive on time. First thing in the morning is the most crucial time of the day when children settle in and find out what they will be doing that day. All children in all year groups are learning to support their reading first thing every morning, whether that be phonics or practising spellings. Arriving late for school can have a massive impact on your child's education, particularly their literacy skills, and their wellbeing.

- **171 minutes** of learning time was lost due to children arriving late for school.
