

All Saints CE Primary School and Nursery

Medium Term Planning

Class teacher: Amanpreet Cheema Year group: 1 Term: Autumn 2 Subject: Computing

Lesson	Learning Goal (L.G.)	Brief outline of lesson content (or where this can be found/unit found in, if for example it is a published scheme such as Science, Kapow French or Music, Purple Mash computing)	Key Vocabulary covered
1	I can understand what an algorithm is.	Year 1 - Kapow - Programming 1: Algorithms unplugged - Lesson 1: What is an algorithm?	Algorithm, instructions, tasks, order, input, output, device, problem, debug, code, correct.
2	I can follow instructions precisely to carry out an action.	Year 1 - Kapow - Programming 1: Algorithms unplugged - Lesson 2: Algorithm pictures.	
3	I can understand that's computers and device use inputs and outputs.	Year 1 - Kapow - Programming 1: Algorithms unplugged - Lesson 3: Virtual assistants.	
4	I can understand and explain what decomposition is.	Year 1 - Kapow - Programming 1: Algorithms unplugged - Lesson 4: Step by step.	
5	I can debug an algorithm.	Year 1 - Kapow - Programming 1: Algorithms unplugged - Lesson 5: Debugging directions.
