Spring Term 2024 – Week Beginning 11th March 2024

“Therefore encourage one another and build one another up, just as you are doing”
1 Thessalonians 5:11 Chosen by: School Church Group

British Science Week

To celebrate British Science Week this week we have a fabulous, exciting day planned with a visit from real scientists today, **Monday 11th March**, beginning with a ‘whole school assembly’.

Years 3 and 4 will have a workshop called **Detective Science**. **Years 5 and 6** will have a workshop called **Power Rangers**. We are asking for a contribution towards the cost of these workshops of £6 per child, for all children in years 3, 4, 5 & 6. This can be paid for via the MyEd app – Science Workshops.

Years 1 and 2 will be participating in the Whole School Assembly, they will then be creating their own workshop where they will participate in a range of small experiments. We are asking for a contribution of £3 towards the cost of their workshops.

Spring Term Film Night

Tomorrow is Film Night. All children from Nursery through to Year 6 are invited to stay. Finish time for all year groups will be 4.45pm. All children are to be collected from their classrooms. The cost of this event will be **£3.50** per child, which is payable via the MyEd app.

World Book Day

All Saints' Vision and Values Award

At All Saints, our vision is **Learning for life, building a firm foundation**. We aim to give all children the best possible start in life and encourage the whole school community to be kind and forgiving towards one another. We aim to create a happy and caring atmosphere where children can learn, grow and develop together into independent and confident children ready to flourish and build their firm foundation for life.

We want to recognise the children who are working towards our school vision and are demonstrating our school Christian values. We present two weekly awards to two children in each class every week.

The Vision Award recognises children who have worked hard and are building their firm foundations in their learning or personal development.

The Values Award recognises children who are demonstrating our school values of **Love, Truth, Faith, Hope or Peace**.

Measles cases in West Midlands

There are still cases of measles. Please ensure you remain vigilant.

Currently Warwickshire has no confirmed cases, however we wanted to make you aware of the available resources:

1. Press release from UKHSA is on the letters sent home / parents information page of the school website.
2. Please click on the link which takes you to the main NHS page which talks about the signs, symptoms and what to do if someone is symptomatic <https://www.nhs.uk/conditions/measles/>
3. This second link takes you to posters in different languages for schools/parents <https://www.gov.uk/government/publications/measles-dont-let-your-child-catch-it-flyer-for-schools/measles-information-for-schools-and-healthcare-centres>

We hope you find this information useful. If your child is unwell and you suspect it may be a case of measles, you **MUST** contact your GP. Your child **MUST** remain away from school for a minimum of 4 full days.

If your child has not had their MMR Vaccination and you would now like them to, or you are unsure if they should, please contact your GP to get this booked in or to discuss the vaccination with a medical professional.
