Autumn Term 2023 – Week Beginning 16th October 2023

In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven.

Mathew 5:16 Chosen by: Nursery

The main themes of Protective Behaviours are:-

Attendance and Punctuality for week beginning 9th October 2023

Punctuality The school gates open at 8:45am & close at 8:55am please arrive on time. If the gate is locked and your child arrives through the main office doors, they are arriving late, and will receive a late mark, please avoid this and take a moment to explain to the office staff the reason.

- **7.7 hours** of learning time was lost due to children arriving late for school this week. This is more than one full school day.

It's so important for children to arrive to school on time. It can be really unsettling for them to walk into class a few minutes late, often missing out on the instructions for the morning. Please try to get up a little earlier so that you can leave the house a little bit earlier and your child can arrive in school on time.

Attendance:

Reception	89%	Year 2	85.9%	Year 4	96.9%	Year 6	92.4%
Year 1	82.7%	Year 3	97.2%	Year 5	84.4%		

Well done to **Reception & Year 3!** They will receive 10 minutes extra playtime.

Whole School Attendance: 89.8%. The school & national target is 96%

SEND Coffee Morning

SEND coffee morning. This Wednesday from 9:30am until 10:30am we have our SEND coffee morning. The theme for this is centred around anger & regulation. All are welcome to drop in for our chat with our SENDCo, Pastoral Team and the Connect for Health Team. Refreshments provided.

Harvest Food Bank Collection & Harvest Assembly

This week is the last week we will be able to accept donations of food for the Nuneaton Food Bank. If you are able to, please send in at least one item with your child.

Please send in items such as: Pasta Sauce; Tinned Spaghetti/Loops; Custard – tins or cartons; rice pudding; tinned fruit; coffee; tinned potatoes; cereals; puddings; squash; fruit juice; tinned fish; tomatoes; carrots. Crisps; dog food; toilet rolls; shampoo; washing-up liquid; washing powder & nappies. Children will be able to make their donation in class. Thank you for your support.

We look forward to welcoming you to our Harvest Assembly this Thursday 19th October at 2.35pm.

Wellington Boots

Dear families, please can we make a plea for any donations of children's old but usable wellington boots. Primarily these would be for use of the children in our Key Stage 1 Gardening Club, however we also have children in years 2, 3 and 4 who participate in outdoor learning every Thursday afternoon. Now that the autumnal weather has arrived, the children could do with wearing wellies due to the often wet, muddy conditions. Any wellingtons that your child/children have outgrown would be very welcome, all sizes welcome. Thank you for your support.

School Photographs

Last week children had their individual & sibling photographs. Children took home the 'proof' copy with the order details for you to order copies of the photographs. If you wish to receive free delivery to school please ensure orders are made by Tuesday 24th October. Orders are NOT to be made through the school office. **Please complete them online.**

All Saints' Vision and Values Award

At All Saints, our vision is **Learning for life, building a firm foundation**. We aim to give all children the best possible start in life and encourage the whole school community to be kind and forgiving towards one another. We aim to create a happy and caring atmosphere where children can learn, grow and develop together into independent and confident children ready to flourish and build their firm foundation for life.

We want to recognise the children who are working towards our school vision and are demonstrating our school Christian values. We present two weekly awards to two children in each class every week.

The Vision Award recognises children who have worked hard and are building their firm foundations in their learning or personal development.

The Values Award recognises children who are demonstrating our school values of **Love, Truth, Faith, Hope** or **Peace**.

Online Safety

Talking Tom and Friends

The Talking Tom and friend's app is one of the most popular phone apps of 2023. The app allows you to interact with various different animated characters such as Tom a virtual, animated cat, Ben the dog or Becca the talking rabbit. You can pet and tickle, talk to and watch them repeat back to you what you say in a silly voice. The app can be great innocent fun and is primarily for children.

However, we have been made aware of several YouTube videos of others playing Talking Friends games that show abusive language, aggressive and threatening behaviour and expose our children to behaviours and choices that we do not want to see them repeat. Both Talking Friends and YouTube Kids can both be enjoyed safely but please remember that the best way to ensure your child's safety online is to stay curious in what they are watching and playing. Take a few minutes out to ask your child about what they are interacting with and set up parental controls to try and minimise the dangers.
