## Autumn Term 2023 – Week Beginning 25<sup>th</sup> September 2023

We are inspired by these guiding words from The Bible

**“Everyone who hears these things I say and obeys them is like a wise man.” Matthew 7:24**

### Attendance and Punctuality for week beginning 18<sup>th</sup> September 2023

**Punctuality** The school gates open at **8:45am** & close at **8:55am** please arrive on time. If the gate is locked and your child arrives through the main office doors, they are arriving late, and will receive a late mark, please avoid this and take a moment to explain to the office staff the reason.

- **4.5 hours** of learning time was lost due to children arriving late for school this week, this is more than the number of hours lost last week, it is creeping closer to a full day.

Please try to leave that little bit earlier to get your child in school on time. It is very unsettling for children who miss the first few minutes of the day.

Reception	91.3%	Year 2	86.3%	Year 4	90.7%	Year 6	94.7 %
Year 1	93.3%	Year 3	91.4%	Year 5	92.6%		

Well done to **Year 6!** They will receive 10 minutes extra playtime.

Whole School Attendance: 94.4%. The school & national target is 96%

### Year 1 Local Walk

This Wednesday 27<sup>th</sup> September, the children in Year 1 will be going for a walk in the local area. This is to support their Geography topic this term. Please ensure your child has a warm, waterproof coat in the event of bad weather.

## All Saints' Vision and Values Award

At All Saints, our vision is **Learning for life, building a firm foundation**. We aim to give all children the best possible start in life and encourage the whole school community to be kind and forgiving towards one another. We aim to create a happy and caring atmosphere where children can learn, grow and develop together into independent and confident children ready to flourish and build their firm foundation for life.

We want to recognise the children who are working towards our school vision and are demonstrating our school Christian values. We present two weekly awards to two children in each class every week.

The Vision Award recognises children who have worked hard and are building their firm foundations in their learning or personal development.

## Reading for Pleasure

Our 'reading for pleasure' campaign begins 26<sup>th</sup> September. Families are invited to come into school to choose a 'reading for pleasure' book with their child from their key stage class library. This will take place on one allocated morning per week for each year group from 9:00am until 9:15am.

**Tuesday** Reception and Year 3, **Wednesday** Year 1 and Year 5, **Thursday** Year 2 and Year 4, **Friday** Nursery and Year 6.

For adults, we have a 'Book Swap' tent under the canopy at the front of school, families are welcome to take a book, read it and bring it back. If you would like to donate books for adults to read, we would be happy to accept them, but please be careful of the content, children may very well pick up these books. We DO NOT want anything along the lines of '50 shades'!

## Online Safety

### **PEGi and BBFC ratings.**

If you have children, it is understandable to have concerns about the films and TV shows they watch, as well as the games they play. In this guide, we take a look at the two official ways you can assess if a particular title is suitable for your child. Both the BBFC and PEGI have search facilities on their websites that can be used to look up individual titles so you can check their ratings.

All classification decisions are a lengthy process and take into consideration the content and the impact of the viewer's feelings and their view of the world. Their aim is to help families choose what's right for them and avoid what's not. The PEGI rating considers the age suitability of a game, not the level of difficulty. Some PEGI 18 games are very easy to play, yet they contain elements that make them inappropriate for a younger audience. Follow the link below to download the guide for yourselves.
