

# All Saints CE Primary School and Nursery

## Medium Term Planning

Class teacher: Amanpreet Cheema Year group: 1 Term: Spring 2 Subject: Design and Technology

Lesson	Learning Goal (L.G.)	Brief outline of lesson content (or where this can be found/unit found in, if for example it is a published scheme such as Science, Kapow French or Music, Purple Mash computing)	Key Vocabulary covered
1	I can explore different types of animal masks.	Lesson 1 - Children explore different types of animals looking closely at the face of each animal. What feature do these animals have? What would we need to think about when creating our own animal masks.	Mask, design, patterns, features, detail, Paper Mache, product, evaluate.
2	I can design an animal mask.	Lesson 2 - Children use observations from previous lesson to design their own masks for a chosen animal. Children include details/patterns for their chosen animals.	
3	I can create an animal mask using my own design. (1)	Lesson 3 - Children create masks using Paper Mache technique. Children use balloons and layer strips of newspaper on to create their mask.	
4	I can create an animal mask using my own design. (2)	Lesson 4 - Continue creating their masks.	
5	I can create an animal mask using my own design. (3)	Lesson 5 - Continue creating their masks. Children to start painting onto their mask.	
6	I can evaluate my finished product.	Lesson 6 - Children look carefully at their masks and evaluate their final product. How well have	

		children stuck to their design? Are children happy with their final product? What would they do it differently next time?
